## Some Final Thoughts ...

### on a great year for our Zone

I started off the year wondering exactly what a Zone Chair was supposed to do, and as the year now comes to a close, I have come to liken my job to that of a guest conductor in a magazine cartoon I had seen some years ago.

In the single-frame cartoon, we see the orchestra and the conductor's back. The sheet on the conductor's music stand simply says: **"Wave the stick until the music stops, then turn around and bow."**

The fact is, the nine clubs in Zone C-1 didn't really need much of a conductor. And the bow that should be taken is by you. The Lions in our Zone knew their music by heart and all were guided by the same simple precept of Lions worldwide: "We Serve." The music played on this year not because of the conductor, but because of the energy, enthusiasm and character of great Lions Clubs like yours.

So take that well earned bow, Lions of 19-C.-1. You have done remarkable things in your communities and played magnificent music this year. It has been an honor to be your guest conductor.

## Thank You, Editor Marilyn!

**She’s a busy gal, that Marilyn, and deserves a nap. Besides her trustworthy job as editor of this newsletter, she is the person who put together our Spring Conference, is the 2VDG Elect, Liaison to the Lakewood Korean club as well as the President elect of Tacoma Downtown! She can do it all!**

## Thanks, Jeannie and Bob!

These two great Lions made the Zone Chair's job a lot easier.

### PZC Jeannie Phillips Zone Secretary

As our Zone Secretary, PZC Jeannie has been a real multi-tasker. In addition to her duties as President of the Northwest Lions Eyeglass Recycling center, Jeannie has found time to be our excellent Zone Secretary while dealing with some medical issues and then sneaking in a visit or two to the local casino for some much deserved R&R. Thanks, Jeannie!

### PDG Bob Wagers Membership & Leadership

As Membership and Leadership Chair for the Zone, PDG Bob Wagers is another Lion who has a full plate. In addition to his advisory role with the Zone, Bob is the editor of Gig Harbor's award winning club newsletter! His 30 years of Lions experience made my year as ZC much easier!

**Tom and Kim Riley,  
Zone Chair Elect and Associate ZC  
2011-12**

**Zone Chair Elect Tom Riley and his Associate Zone Chair Kim Riley are two of the hardest working Lions you'll ever know. Besides working endless hours on projects in their own club, Tacoma Southeast, they worked tirelessly on many projects in the Zone, District and in the community.**

**We are thrilled to have them as ZC and AZC for the coming year!**

## Special Thanks to the Gig Harbor Lions Club!

Special thanks goes out to the Gig Harbor Lions Club for all their support this year. PZC Jeannie Phillips did a great job as the Zone Secretary and PDG Bob Wagers was a perfect choice as Zone Membership and Leadership Advisor. In addition, I had a regular following as I went from club to club in my capacity as Zone Chair. Thanks to Sandy and Bob Bradley, Joe and Elaine Morales, Bob Wagers, Frank Hankins, Dave McKenney, Bill Amesbury, Bonnie and Van Manning, Ted Ralston, Bill McMonnies, and Jeannie and Pat Phillips who were regular "groupies" at Official Visits and fun functions.
