Things Are Happening Fast

So pay attention, as we used to say in the Navy ;)

We are getting out this Special Edition one-page Worm to give you an update on all the things that are happening in the next several weeks. We're ending my term in a blaze of activity!

In order, they are:

OUR NEXT MEETING

Bob Wagers is preparing a great presentation on his 1969 military service in Iran. This should be a fascinating look at Iran in the days of the Shah. Come join us for hot coffee, good food and great fellowship! See you Monday!

BRANCH BREAKFAST PLANNING MEETING

June 2, 2007

INSTALLATION AND AWARDS BANQUET.

This is a really fun event to wrap up the year. All Lions are invited and encouraged to attend. It will be held at the Inn at Gig Harbor on Saturday, June 2. Surf and Turf dinner followed by lively auction. \$27 for dinner. See or call Bob Wagers, and get yourself and your spouse signed up NOW!

June 9, 2007

SECOND TIME AROUND SALE.

We at the Early Birds are leading this year's effort to raise funds for The NW Lions Foundation for sight and hearing and NW LERC. This will be a one-day event on Saturday, June 9, from 8-3 at Al's Methodist Church. We will be receiving items and setting up on Friday (probably 3 o'clock or so, we'll let you know)

Saturday morning 0700, we'll haul the stuff outside to the parking lot to get busy selling at 0800.

This is an all-club event and the sign-up sheets are with The Other John.

In years past, this has been a three day event. Since we are now focused on a one-day event, it is my hope that we can really put some energy into this!

Volunteers are still needed to arrange for coffee and cookies, morning setup, sales and we'll need lots of help pricing and sorting on Friday afternoon. Please start gathering your "Goodwill Friendly" items now! More to follow as we approach June 9.

RELAY FOR LIFE

This is another all-club event, but ESPECIALLY dear to the hearts of our Early Bird clan. We'll meet at Goodman Middle School, 6:00 Friday evening. We have several members who are cancer survivors, and the Survivors Walk is a powerful event. Raising money for this worthwhile cause is high on our priority list. I'm the point man for this event for the Branch Club, so see me if you need any more information.
